Itinerary

Day	Activities
1	<p>Buenos Aires</p> <p>This adventure starts with an overnight stay in Buenos Aires, the bustling capital of Argentina. Spend the evening at your leisure and discover 'Paris of South America' for yourself on a warm spring/summer day or extend your stay by an optional pre-programme to explore Wild Patagonia.</p>
2	<p>Buenos Aires – Ushuaia- Cruise embarkation</p> <p>Fly early in the morning to Ushuaia, where MS Fridtjof Nansen awaits. Once on board, we kick off our journey with a Welcome dinner.</p>
3-4	<p>Drake Passage</p> <p>Prepare yourself for Antarctica as we cross the famed Drake Passage. MS Fridtjof Nansen is designed to make polar exploration a pleasure for all ages and learning levels. There will be lectures on the environment, films about Antarctica in the Science Center, and the ship offers a pool, hot tubs and Wellness Center to enhance your journey.</p>
5-9	<p>Antartica</p> <p>Welcome to the most remote area on Earth! Come ashore to explore the breathtaking Antarctic scenery and encounter penguins. From the deck, there will be ample opportunities to sight whales and seals.</p> <p>We always work with the elements in Antarctica, and we aim to land on the South Shetland Islands and on the Antarctic Peninsula.</p> <p>The places we visit are serene and offer opportunities to observe different types of Antarctic wildlife, including penguin colonies, seals, whales, glaciers, icebergs in every shape and colour, whaling stations and scientific stations.</p> <p>Our activities are exciting and varied. One day you will go ashore to see penguins and hear the crackling sounds of glaciers. The next day, you may get to feel the wind as you cruise amid the sea ice, looking for seals. Another day you may choose optional kayaking or a walk. Our onboard photographer will be on hand to show you the basics of expedition photography to capture these amazing experiences.</p>
10-11	<p>Drake Passage</p> <p>After exploring this exhilarating continent, we set course back to civilisation. Spend the day at sea recapping your experiences, having fun in the Science Center or just relaxing on deck, spotting the many sea birds which follow our ship.</p>
12	<p>Ushuaia – Cruise Disembarkation - Buenos Aires</p> <p>Our expedition cruise ends as we reach Ushuaia, and we transfer you to the airport for your flight back to Buenos Aires. For more adventure, you can extend your stay and enjoy our optional Post-programmes.</p>
