Itinerary

Day	Activities
1	Buenos Aires This adventure starts with an overnight stay in Buenos Aires, the bustling capital of Argentina. We offer an optional city tour in the afternoon. Spend the evening at your leisure and discover “Paris of South America” for yourself.
2	Buenos Aires – Ushuaia – Cruise Embarkation Fly early in the morning to Ushuaia, where MS Midnatsol awaits. Once on board, we kick off our journey with a welcome-on-board dinner.
3-4	Drake Passage Prepare yourself for Antarctica as we cross the infamous Drake Passage, and trust us - it will overwhelm you! MS Midnatsol is designed especially to bring polar exploration to all ages and learning levels. There will also be several lectures on the environment around us; films about Antarctica and the Activity Center will be providing the latest technology for preserving your memories.
5-10	Antarctica Come ashore to explore the breath taking Antarctic scenery and to come close to penguins and seals. Feel like a real explorer from the moment you set foot on the endless expanse of snow and ice. From the deck there will be ample opportunities to sight whales. Enjoy close encounters with wildlife and glaciers, old whaling stations and relics. One of the highlights of the South Shetlands is Deception Island . When we sail into the natural harbour of this volcanic island, you will see an abandoned whaling station known as Hektor and a derelict British base. We are certain you will enjoy a visit to Half Moon Island , a staggeringly photogenic island blessed with some of the most beautiful Antarctic scenery imaginable, or Yankee Harbour, with its large colony of Gentoo penguins, estimated to be 4,000 breeding pairs. Cuerverville Island is home to another of the largest known colonies of Gentoo penguins. Neko Harbour is beautifully located in the innermost part of Andvord Bay. Paradise Harbour got its descriptive name from the whalers during the last century. Wilhelmina Bay has stunning scenery and is often called “Whale-mina Bay”, because of the large number of humpback whales spotted here in December. We have planned plenty of activities to make you experience Antarctica in the best way. Next day, you get to feel the salt and wind as you cruise between the sea ice, looking for leopard seals taking a snooze on the ice. Third day, enjoy kayaking or a longer hike or walk. Back on board we also have activities that will satisfy a whole range of interests in the explorer room. The on board photographer will show you the basics of expedition photography. Join gatherings where the various members of the expedition team recount the day’s activities, make presentations, and the expedition leader discusses the next day’s plan.
11-12	Drake Passage After exploring this exhilarating continent, we set course back to civilisation. Spend the day at sea recapping your experiences, having fun in the Activity Center or just relaxing on deck.
13	Ushuaia – Cruise Disembarkation - Buenos Aires It is time to say goodbye to the crew and all your new friends when we reach Ushuaia. We transfer you to the airport for your flight back to Buenos Aires.
